Family Intergenerational Religious Education (FIRE)

This program offers a unique opportunity to grow in faith as a community. **FIRE** is open to every household in the parish community. A typical FIRE group consists of five to seven households with adult participants taking turns leading sessions. Typical sessions run from 1-1/2 to 2 hours in length, either within the parish building or in parishioner homes. The curriculum is grounded in scripture and the Catechism of the Catholic Church. The curriculum is intergenerational; younger and older participants learn from one another. This program addresses the Faith Formation needs of both adults and children. Requests for groups based on language and/or ethnicity are happily accommodated.

Home Study

This option supports the belief that parents/guardians are the primary formers in the faith of their children. The home study option allows parents/guardians to work at their own pace with their child throughout the year. An age-appropriate textbook will be provided for each child, along with the material that helps parents/guardians in teaching multiple children of different ages within the same household.

Optional Parent/Guardian session:

Early start resource distribution – weekend of July 25/26

Mandatory Parent/Guardian sessions:

Orientation/Resource Distribution – 9/13, 12:15

Mid-year review – 1/10, 12:15
