

Support and encouragement for your grief journey

The care you need. Information you can trust.

After the funeral, when the cards and flowers have stopped coming, most of the people around you return to their normal lives. But your grief continues and you feel alone.

Often, friends and family want to help you, but don't know how. That's the reason for GriefShare. Our group is led by caring people who have experienced grief and have successfully rebuilt their lives. We understand how you feel because we've been in the same place. We will walk with you on the long path through grief toward healing and hope for the future.
